Such facilities include, but are not limited to social activities, educational activities, pool, locker rooms, showers, sidewalks, parking lots, stairs, lobby area, or rest rooms. Such risk of injury includes, but is not limited to injuries arising from the participation by any of the Participants, or others, in supervised or unsupervised activities at Mohawk Golf Club, injuries and medical disorders, including, but not limited to death, heart attacks, strokes, heat stress, sprains, broken bones, and injured muscles and ligaments, among others, arising from exercising, any use of any of MGC’s facilities, or otherwise, or while participating in any of MGC’s programs, classes, or activities, and accidental injuries occurring anywhere in or about the Mohawk Golf Club. The Participants agree and acknowledge that I/they have entered into the Agreement for use of the MGC’s facilities primarily for recreational purposes and not for a specific piece or type of equipment or training methodology. The Participants hereby waive any claim or demands therefore based on, or on account of, any injury or death to any of the Participants, or property damages sustained by any of the Participants, whether caused by the active or passive negligence, concurrent or otherwise, of the Released Parties, the Participant, or others, while any of the Participants is in, upon, or about MGC’s premises, or while using MGC’s facilities or while participating in any MGC activity at any location, including off-site activities. The claims and demands so waived include but are not limited to, claims based on: improper maintenance of equipment (mechanical or otherwise), grounds or facilities; negligent hiring, instruction or supervision, including personal training, inadequate security or staffing; the Participants’ use of the MGC’s facilities; and/or slipping or tripping anywhere in or about MGC or any location in which MGC operates, including, but not limited to public facilities. The Participants further expressly agree that this Release is intended to be as broad

and as inclusive as permitted by the law of the State of New York, and that if any portion of the foregoing Release is held invalid by a court of law, then that portion shall be deemed stricken and it is agreed that the remainder of the Release shall continue in full force and effect without the invalid portion. I acknowledge that I have carefully read this Release and fully understand and agree that by executing this Release, I, and all Participants forfeit any rights they or I may have to bring legal action against the Released Parties for their active or passive negligence, concurrent, or otherwise, arising out of my/their use of MGC. I represent that I am at least 18 years of age, and have actual authority to, and do hereby enter into this Release on my behalf and on behalf of all Participants by signing below. I have carefully read and voluntarily signed this Release and I further agree that no oral representations, statements or inducement apart from the foregoing Release have been made to me. I have read and agree to be bound by the terms of this Patron Agreement, including the Patron Terms and Conditions on the reverse side hereof, and I acknowledge that a complete copy of this Patron Agreement was provided to me when the Patron Agreement was signed. I further agree to be bound by the MGC's Rules and Regulations.

**Note 2.** Tuesday Men's League(s) shall have preferred starting times when starting on the 1st and 10th tees, between 4:00 p.m. and 6:00 p.m. On the Tuesdays that the Men's League has preferred starting times on the 10th tee, non-participants shall also commence their regular round of golf from the 10th tee.

**Note 3.** Women's League(s) shall have preferred starting time on the 1st tee on Wednesday morning, whether tee times or shotgun, from 8:00 a.m. until noon. Additional Women's League(s) shall have preferred starting times.

**Note 4.** Weekends and Holidays, Golfing Members under 18 years may tee off before 10:00 a.m. if accompanied by a regular golfing member

over 18 years. All other Golfing Members under 18 years may tee off starting at 10:00 a.m. if tee times are available.

**Note 5.** On Saturdays, Sundays, and Holidays, if there are open tee times after 9:00 a.m. the Golf Shop management shall have the discretion of allowing any members to use these open tee times, but must first provide for those regular members who have started on the back nine and will be making the turn to start the front nine after 9:00 a.m.

**Note 6.** Members' children under 10 years of age may play on the Main Course during the same hours as Golfing Members under 18 years provided the child is playing golf and is under the direct supervision of their parent who is a Full Family Golf Privilege Member. Members' children who are 10 years of age and over, and who are not golfing members, have no playing privileges except as guests.

**Note 7.** "Open tee times" means a completely open time with slots available for four individual golfers. The entire time slot would have to be available for any Associate member to sign up for an open tee time. The Associate members would have to be over the age of eighteen and have golfing privileges.

C. Junior/Intermediate Golfing Members may start play on the main course in accordance with the schedule contained in preceding information without parental supervision provided such member can maintain pace of play. In those cases where Junior/Intermediate Golfing Members would like a starting time while playing with other Junior/Intermediate members, tee time preference shall be given to adult members.

### **Main Course Play**

Play on the course is conducted under the Rules of Golf of the United States Golf Association.

- Local Rules may apply at certain times and will be posted by management.

Members are urged to play in "foursomes" on weekends and Holidays, or whenever play on the course is heavy.

- Playing "fivesomes" or "sixsomes" (or more) is prohibited at all times. Unless directed by club management

Starting play on the tenth tee is prohibited except:

- A. When starting time sheets assign tenth tee starting, e.g. early A.M. on weekends or Holidays
- B. When specific approval is secured from the Golf Shop.

### **Etiquette on the Golf Course**

Courtesy to fellow members and/or guests is a "must" at all times. Infractions of rules by anyone should be a concern to all and must be directed to the Golf Shop or club management.

"Slow Play" must be a matter of concern to all golfers.

If players/groups are proven to be consistently slow &/or falling behind during normal busy times, tee times for those players/groups will be adjusted to tee off outside the normally busy times. The Golf Shop will monitor and report consistently slow players & groups. Ideally an 18-hole round of golf for a foursome should take no longer than a total of 4 hours 10 minutes.

### **Starting Times**

On all days, starting-time sheets are used to determine the order of starting play on the Main Course. Starting times for weekdays, weekends and holidays are secured by signing up online through your member account login on the club's website – [www.mohawkgolfclub.com](http://www.mohawkgolfclub.com) - or via phone through the Golf Shop.

The system will allow you to make tee times a week in advance. On Weekends & Holidays a lottery system will be used for times prior to 10am. You should put your request in online or by calling the Golf Shop prior to Friday morning. Friday at 12:00 p.m. the Golf Shop will complete the Lottery process and assign tee times for the Weekend and Holidays. The Lottery process is managed so that same group does not monopolize a similar tee time each Saturday & Sunday.

*\*Please note that Saturday morning between 7:45am – 8:30am are the most desirable times. If there are multiple requests for the same tee time, you will normally get your requested time within 20-30 minutes of your request. Tee times can always be viewed online after logging into your account through the website.*

**SPECIAL REQUESTS:** If you have a special function that you must be at by a certain time, the Golf Shop will make every effort to secure your preferred tee time. With club events taking precedence, this may be difficult to accommodate all requests. Please speak with a Golf Shop

staff member by phone or in person to make such requests.

Members may go online after 1:00 p.m. Friday to see what their assigned tee time is or call the Golf Shop. Remember, the tee time you requested is not always the time you'll get, and it is your responsibility to check after 1:00 p.m. on Friday.

The first starting time of the day will vary depending on any club or outside events, the time of year as well as weather. The online tee sheet will have all blocked off tee times when the course isn't accessible. When we have shotguns or events and the course is full or partly taken, the tee sheet will be blocked off to an estimated time when the 1st/10th tee will be open for regular play. Please feel free to call the golf shop to see if the estimate has changed.

When all regular play is starting on the 1st tee, permission must be granted by the Golf Shop prior to teeing off the 10th tee. Groups making the turn, leagues/events and some maintenance procedures may prohibit play from starting on 10.

Mondays: Mondays the golf course doesn't open until 11:00 a.m. unless we have an outside event. If we have an outside event the course will open when the shotgun finishes or event finishes teeing off.

### **Golf Club Storage, Cleaning and Pull Carts**

Provision is made by the Golf Professional for cleaning and storing golf clubs in the Golf Shop.

- Push/pull carts are available from the Golf Professional. Member-owned motorized or battery-powered golf carts, and member-owned push/pull carts need to be checked into the Pro Shop.
- Members shall not leave golf pull carts or golf bags in front of the Dining Terrace before or after playing.

### **Club Golf Carts**

In using power golf carts members are requested to remember that these are heavy vehicles. They shall take all possible precaution to avoid damage to the golf course or golf carts, or injury to persons.

- Drive on cart paths paved with blacktop or crushed stone where such paths are provided
- Never drive through wet areas in either the fairways or rough
- Do not drive electric or pull hand carts closer than 15 yards of greens, traps and tee area,

- To expedite play, park carts to side of green toward next tee while putting or chipping to green, not in front
- When cart is left unoccupied, set hand brake
- Avoid sharp, abrupt turns, especially where people are around or on hillsides
- Avoid collisions with other carts or with trees, posts, walls, fences or other obstructions.

The Golf Course Superintendent is authorized to declare the golf course unsuitable for use of power golf carts when in his/her judgment, their use would cause excessive damage to the course, e.g. after a long, hard rain. The superintendent will notify the Pro Shop not to rent carts when such conditions prevail.

### **Guest**

Members inviting guests for golf must register them at the Pro shop listing guests' names and city of residence.

Local residents may be admitted as guests for use of the golf facilities for a period of one day upon invitation of a member, but an individual local resident may not be admitted more than six times in one calendar year (exclusive of member-guest and interclub events).

It is further understood that this determination is the responsibility of the member. The Pro Shop will assist whenever possible. In addition, the member shall assume the responsibility of apprising the guest of club dress code as well as other applicable rules.

Non-resident guests, i.e., persons who do not have a residence or place of business in the resident area, may be admitted as guests for use of the golf facilities for one day at any time, upon invitation of a member limited to not more than ten days in any calendar year.

*\*Either Local or Non-Resident Guests must be accompanied by a member while playing on the course.*

- Guest Passes for Prepaid Dues (must be paid by January 31st)
- Guest Passes only apply to guest - they may not be used by the member for their own play.
- A guest may only play 54 holes by utilizing the guest passes of a member (cart fees apply). After the use of 54 holes greens fees and cart fees will both be applied. Each guest may play a maximum of 108 holes (equivalent of 6 rounds).
- House Members: 90 holes of golf is included (cart fees apply).
