

Mohawk Golf Club

Thank you for considering Mohawk Golf Club to host your upcoming Golf Outing.

Established in 1898, Mohawk Golf Club is one of the most historic clubs in the Capital Region. Mohawk has perfect charm and ambiance and gorgeous outdoor spaces available during the warmer months. Mohawk has over 100 years of experience in hosting stylish, elegant functions for its members, guests and their families. Our championship golf course is the centerpiece of the Mohawk Golf Club. Created by the renowned designer Devereux Emmet in 1904, it is a spectacular 18-hole parkland course. The course possesses uniquely designed raised greens that have contours permitting devilish pin placements, many of which are protected by strategically placed sand traps. The lush rolling fairways are all framed within the mature foliage of hardwood trees. At 6,691 yards from the championship tees, it will challenge even the most accomplished golfer.

Mohawk is considered to be one of the area's most outstanding courses from beginner to scratch golfer, this course holds the interest of all who play. Our signature hole is the "Punch Bowl", number 15. The tiara of traps surrounding the green make accurate club selection essential. It is a short par 3 and a hole-in-one is conceivable. If that doesn't happen, then you can simply enjoy one of the most beautiful, unique and distinctive holes in the country.
